POSTER GUIDELINES

Dear Presenter,

as you have already been informed, the Conference will be held online this year and will be delivered virtually via Zoom technology.

The authors of accepted poster presentations are invited to submit A SHORT VIDEO that will be made available on the conference's website. Please follow the guidelines below.

GUIDELINES FOR RECORDED POSTER PRESENTATIONS:

Authors of accepted poster presentations must **video record their presentations** before the event. Please consider using a free tool **Screencast-o-matic**, following the steps, compatible with Windows and macOS computers, as well as iOS and Android devices.

Other options are also possible, for example:
- Open Broadcaster Software (OBS), compatible with Windows, macOS and Linux computers;
- Screencastify, compatible with Windows, macOS and Linux computers;
- Acethinker, compatible with Windows and macOS computers.

Your presentation should not last more **then 3 minutes.**

We strongly suggest that you include the presenter's name and e-mail in the video. Please rename the name of the video file with the presenter's surname before you send the video to the organizer.

Authors must submit the final version of their video presentation using one of the following formats: **- .MP4 (recommended)**, - .MPEG4, - .MOV, - .AVI, - .WMV. The display resolution must be **HD.**

Video presentation should be sent **via WeTransfer** (free version allows for a 2 GB file) to conference@fvz.upr.si **at least 5 days before the event** (no later then **12 September 2021**). Your presentation will be uploaded on the Conference's website for other attendees to watch.

NAVODILA ZA PREDSTAVITEV POSTERJA

Dragi avtor,

kot ste bili že predhodno obveščeni, bo letošnja konferenca potekala na spletu preko Zoom aplikacije.

Avtorji sprejetih posterjev ste vabljeni k oddaji KRATKEGA VIDEA s predstavitvijo vašega posterja, ki bo ves čas konference na voljo za ogled na spletni strani konference. Pri pripravi in snemanju videa prosim upoštevajte spodnja navodila.

Video predstavitev vašega posterja je lahko v slovenskem ali angleškem jeziku, medtem ko naj bo PPT ali PDF posterja, ki ga boste predstavili, v angleškem jeziku.

NAVODILA ZA PRIPRAVO IN SNEMANJE VIDEO PREDSTAVITVE:

Avtorji posterjev morate svojo predstavitev vnaprej **posneti kot video predstavitev**. Za snemanje videa priporočamo, da uporabite brezplačno spletno orodje **Screencast-o-matic** (združljivo z računalniki z operacijskim sistemom Windows in macOS ter napravami iOS in Android). Navodila vam pripenjamo.

Možne so tudi druge spletne aplikacije, in sicer:
- Open Broadcaster Software (OBS), združljiva z računalniki z operacijskim sistemom Windows, macOS in Linux;
- Screencastify, združljiv z računalniki z operacijskim sistemom Windows, macOS in Linux ter
- Acethinker, združljiv z računalniki Windows in macOS.

Vaša predstavitev naj ne traja več kot 3 minute. Pri snemanju videa se najprej predstavite. Datoteka, ki jo pošljete, naj bo poimenovana z vašim priimkom.

Za svojo video predstavitev uporabite format **. MP4**. Pri snemanju uporabite visoko ločljivost **HD: 1280 x 720.**

Video posnetek pošljite **preko WeTransfer-ja** (brezplačna različica omogoča 2 GB datoteke) na naslov conference@fvz.upr.si vsaj **5 dni pred dogodkom** (ne pozneje kot **do 12. septembra 2021**). Vaša predstavitev bo naložena na spletni strani konference in bo na voljo slušateljem konference.
